

# TAYLOR COUNTY SCHOOLS VIRTUAL MEAL PICK-UP INFORMATION

Students in virtual learning models are eligible to participate in the school meal program on their virtual school days. Please review the meal pre-order information, and pickup details.

Meals are FREE for all Taylor County School students in Kindergarten through 12th grade. This is not available for Homeschool students.

## Starting the Week of September 8th:

The Virtual Days Pre-ordering meal deadline will be each **Friday by 2 p.m.** for the following week's meals. You may pick-up meals from any of the five schools regardless of which school your student attends.

To order meals you must call your student(s) school and provide the following information:

Student(s) name, student(s) school they attend, parent/guardian name picking up meals, and what days you are requesting meals for.

Meal pick up will occur **daily between 1:00 p.m. and 2:00 p.m.** at the front of each school.

Please be patient with us as we develop this new meal delivery system. An online order form is being developed to use in the future. Information will continued to be posted as it becomes available.
